Worthing Steel “Material Handler” Hiring Event!

You're invited to our Material Handlers Hiring Event on Wednesday, May 6th, 2026, from 2:00–5:00 PM—an exclusive chance to meet our team, explore open roles, and interview the same day.

Please note: *This hiring event is limited to new applicants.* Individuals who have previously applied, interviewed, or been employed with us are *not eligible* to attend.

You will receive and overview about our company, take a short tour of the facility and complete an interview during this hiring event. Please be dressed appropriately in long pants and closed-toe shoes (steel toes if available) and come prepared with questions.

Our address is 100 Worthington Drive Porter, IN 46304

***Please note, when putting in the address to the GPS it may route you to Valparaiso, this is NOT our location. Make sure you are going to Porter, IN. It may help to google, “Worthington Steel Porter IN”, find directions and use those. ***

Bring your **updated** résumé and come prepared to share your story, ask questions, and discover how your skills could make an impact here. Whether you're just starting out or looking for your next step, this offers direct access to hiring managers and a clear path to a new opportunity.

Worthington Steel in Porter, IN is hiring Material Handlers to support our packaging operations.

We're not just hiring for a job — we're looking for people who want to build a career and advance within our company. Prior manufacturing experience is helpful but not required — we provide training and clear paths for growth.

What You'll Get

- **Starting pay: \$20.00/hour**
- **\$2.00/hour shift premium** for 2nd and 3rd shift
- Paid training on 1st shift (7am–3pm)
- **Clear path to advancement — many employees grow into skilled roles or leadership positions**

A strong safety-focused, team-oriented work environment

Schedule

- Train on **1st shift (7am–3pm)** for the first few months
- After training, transition to:
- **2nd shift (3pm–11pm)** OR
- **3rd shift (11pm–7am)**

What You'll Do

You'll play an important role in keeping production running safely and efficiently. Day-to-day work includes:

- Banding, packaging, and preparing materials for shipment
- Moving steel materials using forklifts and/or cranes
- Supporting production lines by staging materials and removing finished product
- Assisting with basic machine setup and operation
- Tracking and labeling materials accurately
